

Palms Medical Group
Your home for health, wellness, life

Palms is your Patient Centered Medical Home!

Palms Medical Group offers a Patient Centered Medical Home (PCMH) to better serve you and improve your health. A dedicated provider along with a highly qualified team of nurses and staff will build a relationship with you to meet your health care needs. Within your PCMH, your team will empower you with ways to improve your health. Further information on your rights and responsibilities as a patient of Palms Medical Group can be found in the Patient Bill of Rights.

Welcome to your Patient Centered Medical Home!

Patient's Name: _____

DOB: _____

Palms Medical Group offers a Patient-Centered Medical Home to better serve you and improve your health. If you agree to participate in the Medical Home your primary care Provider will partner with you along with a dedicated care team of nurses and support staff to meet all of your health care needs. You will meet your Care Team upon visiting our office.

Our Referral Team is dedicated to work with you and your Care Team to coordinate services with other clinics and specialists as recommended by your provider, based on your demographic location and particular needs.

Further information on your rights and responsibilities as a patient of Palms Medical Group can be found in the Patient Bill of Rights.

Please call **1-888-463-2374** to schedule a same-day appointment Monday-Friday during business hours.

For after-hour concerns, please call this clinic to be connected to our after-hours service. **In case of a medical emergency, please dial 911.**
